Description

This Ferretti 450 is an Italian luxury yacht combining performance, comfort and refined design.

She was built in 2016 and one of the engines was replaced in 2022 by Cummins (standard exchange guaranteed by the shipyard).

This Flybridge has many advantages:

Elegant, modern design: The Ferretti 450 offers an elegant exterior design with clean lines, while maximising interior space thanks to a modern design that favours natural light and ventilation. The galley opens onto the cockpit and is fully equipped with a hob, 90l freezer, 130l fridge and microwave.

Superior performance: With powerful engines and an innovative hull, the 450 ensures stable, fast sailing. It has only 678 engine hours and has always been professionally maintained.

Spacious and luxurious interior: The interior of the Ferretti 450 is a true haven of peace, with noble materials, quality upholstery and meticulous finishes. It offers generous space with 3 cabins and two bathrooms. She is equipped with air conditioning and a generator for optimum comfort.

Advanced technology: This yacht is equipped with state-of-the-art navigation systems with 2 large Simrad screens, joystick, thruster, AC12 autopilot, NSS 12 radar...
