Description

The Salpa 40 GranTurismo from 2021 is much more than just a boat; it's an invitation to escape with the comfort of a yacht. We offer a model designed for those seeking performance, aesthetics, and conviviality. With its 12-meter length, it provides generous, well-organized spaces, perfect for sailing with family or friends, accommodating up to 12 people on board.

Its twin engines ensure smooth navigation, even at high speeds, while remaining fuel-efficient. Its modern, sleek design catches the eye, but it's the modular cockpit, sunbathing cushions, and convertible seating area that win you over in the long run. The interior, bathed in natural light, features luxurious cabins, an elegant bathroom, and a fully equipped kitchen, all designed for your comfort.

Why choose the Salpa 40 GranTurismo over another? Because it combines sportiness, elegance, and versatility, offering a unique experience for both those who enjoy peaceful cruises and speed enthusiasts.
