Description

XBOAT ref :6003.Swan 46 – Timeless elegance and legendary performance

This Swan 46 is an exceptional sailboat designed for yachting enthusiasts who seek the perfect balance between performance, safety, elegance and tradition. A true icon of nautical design, it offers a rare opportunity: to make a classic sailboat a life project.

Designed by the famous naval architect German Frers and built by the prestigious Finnish shipyard Nautor's Swan, this sailboat is a good example of the very essence of high-end craftsmanship. It demonstrates the legendary know-how that has made Swan's reputation: timeless design, precision engineering and unrivaled quality.

This Swan 46 is for those who want the authentic Swan experience, steeped in the history and quality associated with the names German Frers and Nautor's Swan.

Main Features

- Timeless and elegant design

The Swan 46 is unanimously recognized as one of German Frers' most emblematic models. Its clean lines and exceptional sailing performance make it a true reference in the world of high-end sailboats.

- High-end construction
