yamaha motor italia Yam 380 s

2 500 € All Tax Included

Description

The Yam 380 S combined with the 15 horsepower Yamaha engine is an ideal solution both for those looking for a versatile and reliable tender for a larger boat, and for those who want to enter the nautical world with an economical and high-performance option. This inflatable boat combines functional design, ease of use, and superior performance, providing a safe and enjoyable boating experience.

Key features of the Yam 380 S

Length and space: With a length of 3.80 meters, it offers ample space on board, perfect for transporting up to 6 people comfortably. It is ideal for fast travel or recreational activities in coastal waters.

Durable materials: Constructed from high-quality PVC fabrics, the Yam 380 S ensures resistance to wear, weathering, and salt, prolonging its durability.

Stability and handling: Thanks to the inflatable keel and rigid bottom, the dinghy ensures excellent stability even in moderate sea conditions, allowing for smooth and comfortable sailing.

Lightweight: The low weight makes transport and launching extremely simple, making it ideal for those with practical needs.

15 hp Yamaha engine: Power and Efficiency

Reliable performance: Yamaha's 15 hp engine provides powerful yet manageable thrust, allowing the Yam 380 S to glide easily and reach high speeds for a vehicle of this size.
