Description

The Lagoon 620 stands out as a testament to luxury and meticulous care, having been continuously maintained in impeccable condition by its devoted owners. Since its launch, the yacht has been operated exclusively with a dedicated crew, ensuring consistent upkeep and professional management. This attention to detail is reflected in its pristine appearance, exceptional performance, and up-to-date systems.

Below is a detailed overview of the recent and planned maintenance, yard work, and upgrades that demonstrate the yacht's outstanding care:

Maintenance, Yard Work, and Investments – Mahanga

Spring 2024:

- Applied new antifouling and propspeed to protect the hull and improve efficiency.
- Comprehensive service of Volvo engines and generators for optimal performance.
- Inspected and serviced all safety equipment, including life rafts.
- Installed a new VHF antenna with cable and a VHF handheld unit, enhancing communication systems.

Summer 2024 :

- Upgraded with a new watermaker, ensuring reliable freshwater production during long voyages.
