**775 000 € All Tax Included**

## Description

The Riviera 45 Open Flybridge offers an extraordinary combination of comfort, performance, reliability, safety and value. The 45 Open features fully molded steps complete with teak treads and a storage locker underneath. The saloon is one integrated living space, with the large gourmet galley forward with dining area opposite and a spacious and comfortable aft lounge. Included an electrically operated overhead locker in the saloon headliner for safe and convenient rod storage, while the finish on the timberwork throughout the saloon and the deck accommodation is both impeccable and astonishingly durable. The saloon is striking in its spaciousness, generous headroom, intelligent layout and warm yet contemporary fittings and furnishings. The combination of large tinted windows, handcrafted timberwork and rich leather seating is an invitation to relax and indulge. There is no doubt that the Riviera 45 Flybridge excels on style, but it's a yacht with a strong heart too – the solid hand-laid fiberglass hull with its separate compartments and collision bulkhead forward are just two of the integrity features of its construction. CHIARA is a as new boat, with only 120 engine hours and, furthermore, she is fully equipped. Contact us for more details.
