

# Description

Boat with great marl qualities, with hull, high performance, with distribution of spaces, particularly well designed. Access by boat is facilitated by the installation of the stern platforms in GRP, which bring the boat to 10.20 meters in length f.t.

A restyling designed to increase the livability of the spaces on board: folding stern backrest, large stowage lockers,. The cabin is perfect for family weekends, thanks to the dinette and the reserved toilet room. hard top in VTR with really impressive steel uprights, awning with 2 carbon poles, upgrade of the stereo system that provides a more performing audio source and 4 cp speakers (of which n. 3 back-lit)....

Some photos are from the repertoire possibility to send updated photographic material..
