Description

Swan 108-001 'Fancy' showcases Nautor Swan's expertise in yacht construction, combining advanced engineering with refined design. Constructed in carbon fibre with a telescopic keel, this 33-meter sailing yacht offers exceptional performance and adaptability, with a draft ranging from 3.4 to 5.2 meters.

The hull, painted in Town Grey, features a lightweight yet durable construction using M-grade Corecell foam and carbon fibre SPRINT skins. Its hydrodynamic design ensures both efficiency and stability, making it suitable for long voyages or competitive sailing.

Interior Details

The interior of 'Fancy' has been designed to provide both comfort and functionality. European quarter-cut oak, finished with a light brown stain and hand-rubbed varnish, creates a warm and inviting atmosphere. Large hull windows allow natural light to highlight bespoke furnishings and carefully considered details.

Accommodations include:

A forward owner's cabin for privacy and comfort.

A VIP suite and two double guest cabins, each with en-suite facilities.

Crew quarters for up to five members, ensuring smooth operations.

The galley, equipped with professional-grade Miele appliances, a wine fridge, and an icemaker, supports long-distance cruising with ease.
