

SALE PRE OWNED

pershing 5x

Description

The first of the creations of "Generation X". A bold coupé whose brand - a code used in the aeronautical world to indicate extreme performance and technological evolution - alludes to the unquenchable thirst to set sail at great speed towards new horizons. Pershing 5X is the first page of a fabulous new chapter in the history of Pershing. The aerodynamic design echoes the classic Pershing style, such as the side wings protecting the cockpit, which can be separated or joined to the interior saloon with the innovative opening and closing system of glass doors and windows. The design is completed with four hull windows per bulwark, each with elliptical portholes, thus making the Pershing 5X a true "fighter jet" on the water.

Company Disclaimer

Equipe Marine srl publishes the details of this boat in good faith and cannot guarantee or guarantee the accuracy of the information nor, expressly or implicitly, guarantee the condition of the boat. Every potential buyer should be aware that the "model year" varies from builder to builder and does not necessarily correspond to the year the boat was built. The offer of this boat is subject to sale, price change, or withdrawal without notice. This information can be viewed in various languages; however, the interpretation of the language that prevails must always be Italian.
