

SALE NEW

skipper bsk 34nc

295 000 € EX. VAT

Description

The skipper 34 NC is a 9.95-meter long inflatable boat characterized by the innovative 4-step design, which produces a layer of air bubbles between the hull and the water, allowing it to reach high speeds. The skipper 34 does not require large engines, which allows for lower fuel consumption. Although it is slightly smaller than the other models, it offers considerable space for passengers. The deck consists of comfortable seats and large lockers both aft and bow. Under the console there is also a small bathroom with sink and shower, ideal for out-of-town outings.

New boat ready for delivery promotional price!!!
