linssen Grand sturdy 30.0 ac interio

Description

Linssen Grand Sturdy 30.0 AC

The 'small' 30.0 AC demonstrates that space can be used to perfection within a 10-metre steel motor yacht.

Just like the larger Grand Sturdy models, the sailing characteristics of the 30.0 AC and Sedan are sublime.

The 30.0 AC excels in its class thanks to its smart layout and optimum use of space.

With a spacious saloon and controls on the upper deck, the 30.0 AC is a pleasure to sail in and out of.

A motor yacht with excellent sailing characteristics

The Grand Sturdy 30.0 AC and 30.0 Sedan are very suitable for sailing on large waters thanks to their perfect stability. This makes the Grand Sturdy 30.0 AC a perfect travelling companion for exploring the inland waterways of Europe.

Several berths

The Grand Sturdy 30.0 AC has a 4+2 berth layout. The Grand Sturdy 30.0 AC has a front and rear cabin, both with a double bed. There are also two additional berths available in the saloon.
