Description

Linssen Grand Sturdy 30.0 Sedan

The Sedan version of the Grand Sturdy 30.0 AC. The Sedan has an open cockpit and spacious saloon. The 30.0 Sedan offers a great deal of space in the saloon, which has a seating area, a kitchen and a desk with a fold-out TV. The saloon is also home to the steering system with an adjustable driver's bench. The Grand Sturdy 30.0 Sedan is the perfect travelling companion in all weathers.

In sunny weather the saloon can easily be extended by means of the open roof and the folding doors to the aft cockpit. In this way the saloon and aft cockpit become one large space.

The open aft cockpit with the extended salon roof has a seating area with access to the large swimming platform at the rear of the yacht. The open aft cockpit features a teak floor and a large storage area under the cockpit floor.

Multiple berths

The Sedan has a spacious forward cabin with a double bed and storage areas. In the forward cabin, the 30.0 Sedan offers a separate shower and toilet area that can also be accessed from the saloon. In the salon it is possible to create two additional berths by converting the seating area into a double bed with the Easy Sleep Convert System. The versatility of the 30.0 Sedan is reflected in every detail.
