linssen Grand sturdy 500 sedan variodeck®

Description

Linssen Grand Sturdy 500 Sedan Variodeck®

Derived from the Grand Study AC 500 Variotop® is the new Grand Sturdy 500 Sedan Variodeck®.

With just as much space and practical layout, the Variodeck® is and welcome addition to the Grand Sturdy® series. The Variodeck® is distinguished by its limited cruising height and by its expansive saloon area, which can be easily enlarged using the folding doors. This adds the spacious aft deck including a large swimming platform to the living space aboard the 500 Sedan Variodeck®.

The Grand Sturdy 500 Variodeck® offers a spacious saloon with a dining area, kitchen and steering position. In the forward cabin is the spacious master bedroom with double bed, closet space, toilet and private bathroom. In the middle of the ship are two berths with their own toilet.
