

SALE NEW

linssen 50 si sedan variodeck®

Description

Linssen 50SL Sedan Variodeck®.

Our largest Sedan, also for small waterways. The Linssen 50 SL Sedan Variodeck® is a luxury "traveler" with ideal dimensions. And with a more than ideal vertical clearance of only 2.75 m, the Linssen 50 SL Sedan Variodeck® paves the way for many comfortable cruises, even right through the French sailing Mecca. This is the ultimate Linssen for skippers who think in terms of possibilities, not limitations.

The Linssen 50 SL Sedan Variodeck® is a true all-season boat with which you can enjoy the small and large waters both very early and very late in the sailing season.

The many USPs are too numerous to list here. Just take the large E-Variodeck sliding roof, the double Variodoors between the saloon and the open cockpit, the One Touch Cockpit cover and the Smart Helm Console. All unique Linssen elements that enhance both safety and comfort and the onboard experience.
