

SALE NEW

linssen 30 sl ac

Description

Linssen 30 SL AC

As an "entry-level" boat, the sturdy Linssen 30 SL AC is an ideal steel motor yacht for those who do not want to sail big, but still want to experience all the facilities and luxury of a genuine Linssen motor yacht.

With its outside steering on the aft deck, the Linssen 30 SL AC or aft cabin offers a sea of space on the inside of the boat. The aft cabin has room for a double bed with various closet spaces. In the forward cabin is the owner's cabin with a large double bed, toilet and sink and a separate shower room.

The toilet and shower room are also accessible from the saloon for guests on board. The front cabin also has plenty of cupboard and storage space.

Between the two bedrooms is the salon with a spacious seating area and pantry. Thanks to the large windows, the salon is a comfortable place to stay and offers a beautiful, wide view outside. These windows also give the interior a light and warm feel.

The Linssen 30 SL AC is available as standard in the color Egg shell White. Optional colors include Cove Green, Fjord Blue and Haven Grey.
