## linssen 30 sl sedan

## Description

### Linssen 30 SL Sedan

Unlike the 30 SL AC, the Linssen 30 SL Sedan offers an open cockpit and controls on the inside of the boat. The 30 SL Sedan offers a large saloon,

which can be expanded through folding doors to the afterdeck, provides extensive living space on board. Like the AC version, the 30 SL Sedan offers a spacious salon with an L-shaped kitchen, a seating area and adjustable driver's seat. The desk on the port side of the ship offers a folding TV unit facing the seating area.

In the front of the ship is the owner's cabin with a double bed, equipped with separate shower, toilet and sink. The shower room and toilet are also accessible from the salon for guests on board. The 30 SL Sedan offers a 2+2 sleeping system by creating two additional berths in the salon for guests.

### Enjoyment inside and out

The 30 SL offers an optional electric sliding roof to enjoy the outdoors. The 30 SL Sedan can be transformed into an open motor yacht in no time at all, thanks to the salon doors and sliding roof. On the aft deck you will find a seating area and access to the large swimming platform. The aft deck can be zipped up by means of sails for protection against wind and rain. This makes the Linssen 30 SL Sedan suitable for sailing in all weathers.
