linssen 35 sl ac

Description

Linssen 35 SL AC

Like the Linssen 30 SL AC, the 35 SL AC has a spacious aft cabin with a double bed, various closets and storage areas or an optional toilet and/or shower room. The forward cabin also has a large free-standing double bed with closet space, access to separate toilet room and shower room. For its length, this makes the Linssen 35 SL AC a very spacious boat for several people. In addition to the four fixed berths, an extra double bed can be created in the saloon by using the Easy Sleep Convert System®.

In the salon you will find a cosy L-shaped seating area with an adjoining folding table and comfortable seat. A long pantry with all amenities makes life on board even more pleasant. On the aft deck, you can enjoy the view and the open air behind the high steering position. The Linssen 35 SL AC is a tough and functional travel partner for the whole family.
