

SALE NEW

linssen 40 sl sedan

Description

Linssen 40 SL Sedan

The Linssen 40 SL Sedan, the largest Sedan version within the Linssen SL line. This sturdy Sedan with its distinctive SL details is a real eye-catcher. The Linssen 40 SL Sedan is the ideal travel partner for long trips and boating vacations and offers more than enough luxury and comfort on board for longer stays.

The Linssen 40 SL Sedan offers 4+2 berths. In the forward cabin you will find a free-standing double bed with adjacent the middle cabin with two single beds. In the saloon, the saloon settee can be converted into a double bed using the Easy Sleep Convert Systems®.

Just like the Linssen 40 SL AC, you will find two areas in the saloon. Through the folding doors from the open cockpit, you enter the saloon with the seating area on the port side. On the starboard side there is a folding table with two luxurious seating chairs. Toward the forward cabin is the steering position with an adjustable comfortable driver's bench and the dinnete.

The 40 SL Sedan features practical storage spaces throughout the boat. For example, one of the most prominent storage areas is in the center cabin, where the cellar area is located for wine lovers.

The spacious open cockpit offers protection through the continuous saloon roof from sun and other weather elements. Equipped with a spacious seating area, loose chair and coffee table, the open cockpit is a wonderful place to unwind or enjoy a delicious lunch or drinks outdoors.
