SALE NEW

linssen 45 sl sedan

Description

45 SL Sedan

Spacious. More spacious. Spaciousest. The Linssen 45 SL is the largest yacht in our SL series of sporty yachts. An elegant appearance that is particularly suitable for longer cruises with family and friends throughout Europe. But of course also just for a long weekend not so far from home.

Anyone looking at the 45 SL from the outside will be visually stimulated by the anthracite-colored accents, the high-quality stainless steel elements and the powerful bowline. They are the eye-catchers of our new SL series. A style direction with which we consciously choose to innovate in design, color scheme and interior.

Layout

On board the 45 SL you will experience the luxury of space. And you will find plenty of room for luxury. The functional layout and optimal use of the available square meters make every space comfortable. Everything you need is there and everything you bring from home on your cruises can be easily stored.

With our SL series, our designers have paid great attention to exterior and interior. The interior stands out for its lightness and the use of contrasting materials. In the 45 SL it is also literally light, as plenty of daylight can enter through the large, continuous salon windows and several portholes. To create a sporty look, these windows are finished in anthracite on the outside.

The 45 SL also comes in an AC variant with aft cabin and a Sedan variant with
