## Description

### Targa 45 GT

With an exciting and award-winning pedigree, the Fairline Targa 45 GT has a reputation to uphold. Fairline's expert designers and craftsmen have ensured that both the interior and exterior are beautifully designed, exceeding all expectations. With the famous Fairline DNA in every line and curve, we demand perfect harmony in everything.

Take time to plan your day from the comfort of the configurable cockpit. Enjoy the warmth of the sun as you relax on the spacious loungers. And when afternoon turns into evening, get the tender out of the garage and head to your favorite restaurant, knowing that the Targa 45 GT will welcome you on your return for a peaceful night.

With Volvo IPS 600 or 650 engines, the Targa 45 GT always offers excellent performance to enjoy. Navigate to your private beach or the piece of ocean you want to temporarily call your own, and enjoy an effortless journey in complete safety.

"Thanks to IPS propulsion, this Fairline remains in control at all times, without dullness. The Targa masters sporty curves as well as waves. It always feels safe," said Alexander Worms, the first journalist to test the Targa 45 GT in March 2020.
