## Description

### Targa 45 Open

The Targa 45 OPEN was designed by renowned superyacht designer Alberto Mancini, whose signature style is clearly visible and palpable both above and below deck. The atmospheric and refined lines evoke the unmistakable glamour of the Riviera, combined with impeccable engineering and impressive performance. Step aboard and experience timeless style and opulent luxury.

The Targa 45 OPEN invites you to relax on the spacious sunbed while your friends entertain in the cockpit. Protect yourself from the midday sun under the sleek hardtop or open the power canvas roof at the touch of a button for a refreshing breeze. Simply enjoy the exhilarating feeling that your next destination is fast approaching on the horizon.

Turn off the Targa 45 OPEN's powerful twin engines and launch the discreetly stowed tender. Explore inland for lunch with friends before discovering what lies beyond the next bay. From snorkeling in shallow bays to relaxing on the deck, enjoy the sumptuous luxury of undisturbed time.
