fairline Targa 50 gt

Description

Targa 50 GT

There is no greater thrill than to introduce a new Fairline to an already appreciative audience. For this is a motor yacht where you will discover power, luxury and pure joy in one perfectly designed place.

The Targa 50 GT is a spirited soul with adventure in its sights. But that doesn't mean you can't have all the luxurious touches you'd expect from a Fairline. On the inside, gorgeous oak floors, Carrara white countertops and inlays of 100% New Zealand wool carpets. And on the outside, a striking anthracite-colored roof, making this motor yacht a real beauty.

Whatever you want to do, the Targa 50 GT is the motor yacht to do it in. Her twin Volvo IPS engines, available in 600, 650 or 700 engine options, are just waiting for you to say the word, whether it's to get you quickly to your destination of choice, or just to cruise for a while. And what makes every experience even more complete is the new Premium Pack, with a range of equipment including an adjustable plunge pool platform, a wet bar with griddle and sink, and a Fusion entertainment system with Bluetooth connectivity. Wherever you decide to go, the fun is all yours.

Optional motorization: 2x Volvo Penta Diesel IPS700 D8-550, 1100 HP (32 knots)
