

SALE NEW

fairline Targa 50 open

Description

Targa 50 Open

When you have a new line of motor yachts, you want the world to experience how stunningly beautiful they are. We introduce the Targa 50 OPEN, one of two Targa's in our new 50ft series, each of which has the spirit of adventure at its heart.

Everything you expect, and more

Of course, the Targa 50 OPEN is built for speed and thrills. The exterior is a gift, especially with its striking anthracite-colored roof. On the inside, even more luxury awaits. Beautiful Italian leather. Carefully thought-out high and low lighting in the cabs. And in the main cabin, a stunning headboard. It is these understated, and not so understated, details that set the Targa 50 OPEN apart.

Ready to go

You can rely on the Targa 50 OPEN to get you to your next destination quickly, with its impressive performance and maneuverability all thanks to the twin Volvo IPS650 or IPS700 engines. But there's even more to look forward to - our Premium Pack option - with options like high-capacity air conditioning, a submersible swim platform, Bluetooth audio system, a 12" touchscreen display on the steering wheel and exterior ambient lighting.

This is power and luxury, all at your fingertips.

Optional motorization: 2x Volvo Penta Diesel IPS700 D8-550, 1100 HP (34 knots)
