Description

F-Line 33

Embrace your adventurous side. We did.

In all our years of boat building, there's never been one like the F//LINE 33. Slim, stylish and exciting, it's designed to deliver a thrilling experience - and leave the competition in its wake.

Simply breathtaking

A beautifully sculpted dayboat. When it comes to the sheer good looks of the F//LINE 33, these few words really say it all. With Alberto Mancini's intelligent design offering luxurious, relaxing space, plus stunning finishes and the most up-to-date technology, the F//LINE 33 is not a boat just ready to cruise to the nearest lunch spot - it's ready for anything.

What your heart desires

Sure, looks are only part of the appeal. But the soul and spirit of a pure adventurer is what will ultimately draw you to the F//LINE 33. Because once you are at the helm, you will know that this is the boat that can truly take you anywhere. Others will see it. But you will feel it.

Optional motorization:

- 2x Volvo Penta V6-250 petrol, 5000 HP (33 knots)
