

SALE NEW

fairline F//line 33 outboard

Description

F-Line 33 Outboard

The beauty of the F//LINE 33 Outboard lies in its adaptability. The generous space means your guests can stretch out in comfort. The excellent maneuverability at low speed makes for uncomplicated handling. And because the powerful Mercury Verado twin engines are within easy reach, maintenance is easier.

The innovative 'Ascender' swim platform means you can take an easy dip into the blue, with steps on either side making access easy. And when you dock via the stern, this feature becomes truly versatile. The platform becomes your bridge, rising to the height of the dock so you can effortlessly step onto land and lift the tails out of the water. Wherever you go, you can take your experience to the next level.

Optional motorization:

- 2x Mercury Verado 350 petrol, 700 HP (42 knots)
- 2x Mercury Verado 400 petrol, 800 HP (48 knots)
