## Description

With a sportier appeal, the Targa 45 OPEN MY 2023 is perfect for casting anchor along any coastline, any time of day.

Superyacht designer Alberto Mancini designed the Targa 45 OPEN MY'23 using his unmistakable signature style. And it is something you will see and feel, above or below deck. Atmospheric, refined lines that evoke the unmistakable Riviera glamour, along with flawless engineering and unparalleled performance. Step aboard, and all that style and luxury remains.

The Targa 45 OPEN MY'23 invites you to sprawl out on the large sun bed while friends lounge in the cockpit. Take shelter from the afternoon heat under the sleek hardtop, or slide back the power canvas roof at the touch of a button. Or simply enjoy the thrill of your next destination quickly appearing on the horizon.

Turn off the Targa 45 OPEN MY'23's powerful twin engines and settle into the discreetly stowed tender. Cruise inland for lunch with friends before exploring what lies beyond the next bay. From snorkeling in shallow bays to relaxing on the deck, surrender yourself to the luxury of time.
