ferretti yachts 940

Description

Ferretti Yachts 940, the Flybridge of the future.

The Ferretti Yachts 940 is a luxury yacht that embodies elegance and high-end comfort, while offering exceptional marine performance. Measuring approximately 28.97 meters (94 feet) in length and 6.78 meters in width, it is designed to provide a luxurious sailing experience with a design that is both sophisticated and contemporary. The yacht can accommodate up to 10 guests in its five luxurious cabins, including a sumptuous master suite on the main deck, as well as VIP cabins and double or twin guest cabins on the lower deck.

This luxury yacht features a spacious main deck with a large living room, an elegant dining area, and panoramic views through large windows. The interior is finished with high-quality materials, with customization options available to meet the owners' preferences. The centerpiece of the Ferretti 940 superyacht is its 50-square-meter flybridge with an openable hardtop. This innovative design element offers guests greater flexibility, allowing them to enjoy the open air in good weather or seek shelter when needed. This area is carefully designed to serve as a social hub, featuring a fully equipped galley and bar. Whether hosting a sunset cocktail party or a casual family lunch, the flybridge is designed to enhance every experience on the water. An optional jacuzzi can be installed.

The Ferretti Yachts 940 is equipped with the latest technologies to ensure optimal comfort at sea, including gyroscopic stabilizers that reduce roll, an advanced navigation system, and modern audiovisual equipment. Powered by powerful engines, it can reach an impressive cruising speed of around 27 knots.
