pershing Gtx116

Description

Pershing GTX116, a revolutionary sports utility yacht!

The Pershing GTX116 embodies the pinnacle of innovation, luxury, and performance in Pershing's Sport Utility Yacht range. At 35 meters in length, this yacht is a true floating masterpiece, designed to deliver an unparalleled cruising experience. Its sporty and elegant silhouette stands out with a bold vertical bow and sleek lines that showcase Pershing's expertise in nautical design. The GTX116 also boasts expansive outdoor spaces, including a massive main deck and a spacious sportbridge, perfect for fully enjoying the sea and the sun.

Onboard, every detail is crafted for comfort and sociability. The main salon, bathed in natural light through large panoramic windows, offers breathtaking views of the ocean. The interiors, adorned with materials of the highest quality, create a warm and sophisticated atmosphere. The yacht accommodates up to ten guests in luxurious cabins, each featuring a private en-suite bathroom, ensuring complete privacy on board.

The GTX116 is not only impressive in its aesthetics and comfort but also a marvel of performance. Powered by robust engines, it reaches a top speed of 35 knots, enabling swift and efficient travel across the water. Its innovative hull design ensures stable and secure navigation, even at high speeds.

The result of collaboration between the Ferretti Group Product Strategy Committee, Vallicelli Design, and Pershing's engineering department, the GTX116 pushes the boundaries of what a luxury yacht can offer. With its optimized volumes, cutting-edge technologies, and avant-garde design, it represents the
