Description

Ferretti Yachts 720, the timeless flybridge yacht!

The Ferretti Yachts 720 is a luxury yacht that pushes the boundaries of comfort, performance, and design at sea. Measuring 22 meters in length, this spacious and refined model embodies Ferretti's legacy of excellence, combining Italian elegance with cutting-edge technology. Designed by Filippo Salvetti in collaboration with the Ferretti Group Engineering Department, the 720 impresses with its modern and dynamic lines, as well as its premium finishes.

The interior of the Ferretti Yachts 720 is a true haven of sophistication. Offering multiple layout configurations, it features four luxurious cabins, each with its own private en-suite bathroom, accommodating up to eight guests in absolute comfort. The living areas are bathed in natural light thanks to large panoramic windows, creating a warm and open atmosphere. The main salon, equipped with elegant furniture and state-of-the-art technology, opens onto a modern and functional kitchen designed to meet the needs of the most discerning yacht owners.

On the exterior, the yacht boasts exceptional relaxation spaces. The spacious flybridge is designed as an outdoor lounge, featuring a dining area, bar, and sunbeds. The foredeck also offers relaxation areas with a sofa and sun pads, perfect for enjoying the sea. At the rear, a submersible platform allows easy access to the water and is a valuable asset for water activities.

In terms of performance, the Ferretti Yachts 720 is equipped with powerful engines that provide a comfortable cruising speed and stable navigation, even
