

SALE NEW

pershing 8x

Description

Made of carbon fiber, this new model features even more refined and sporty lines, reinforced by Pershing's signature features such as the imposing side wings and the aerodynamic solarium profile. The result is a yacht in the sport-fly range with an unparalleled combination of quality and innovation. **MUSIC ?**
HULL The new Pershing 8X model introduces a new innovative element not only for the brand, but for all the yachting industry: the Music Hull, which allows you to listen to music under water while diving or swimming. It's a new way of living the sea with a quality of listening never reached.
