Description

Ferretti Yachts 670, a new version with more comfort and space.

Discover the new version of the Ferretti Yachts 670, one of the most popular models in the Flybridge range. With its redesigned exterior and light-filled interiors, this yacht combines elegance and functionality. Whether you're cruising or on a getaway, the 670 offers the perfect setting for your moments at sea. Built by the Ferretti Yachts shipyard in Forlì, this model is the result of exceptional craftsmanship, ensuring quality and durability.

The new version of the Ferretti Yachts 670 stands out for its modern silhouette, carefully designed by Filippo Salvetti. The smooth lines and harmonious combination of volumes make this yacht a true masterpiece. Inside, the main deck features a spacious lounge, a comfortable dining area, and a well-equipped kitchen, providing maximum storage space. The uninterrupted windshield of the helm station offers exceptional visibility, while the ergonomics of the forward area have been improved with a redesigned dining corner. Additionally, the carefully integrated audio systems allow for an immersive sound experience, perfect for hosting relaxed evenings on board.

The flybridge of this new version of the Ferretti Yachts 670 has been enhanced to offer maximum comfort and entertainment. It now features a spacious dining area, ideal for enjoying meals outdoors, as well as additional seating. With its redesigned layout, this space is perfect for relaxing in the sun or enjoying the sea breeze. Furthermore, the completely redesigned hard top includes a central opening section to bring in natural light and ventilation, ensuring even more
