pershing 6x

## Description

The latest Pershing of the Generation X range, the 6x immediately catches the eye thanks to her sleek and streamlined shape : the hull line and the superstructure are designed to give the boat a sporty profile. With the engines 2 x MAN V12 1550mhp the boat can reach a maximum speed of 48 knots (42 knots cruising speed).The latest Pershing of the Generation X range, the 6x continues the modern, sporty lines of the range. With a sleek appearance and highly aerodynamic profile, this sporty and provocative yacht is an eye-catcher. At 18 metres in length, the 6X is more compact and comfortable, while bringing together the best in state-of-the-art technology and functionality.Large windows along the hull, a sunroof over the wheelhouse, a large innovative aft sundeck, extensive use of raw wood, lacquer and leather for materials and furnishings... new styling features for even more comfort, light and elegance. Equipped with 2 x MAN V12 1550mhp, this yacht with exceptional performance reaches a maximum speed of 48 knots and a cruising speed of 42 knots. The main novelties on this new model are in the cockpit, which consists of a dashboard with a 19-inch screen, carbon fibre control panels, an electro-hydraulic steering system, an innovative joystick with the possibility of "easy handling" mode for unprecedented manoeuvrability... A sporty open yacht second to none.
