custom line Navetta 33

Description

The Custom Line Navetta 33, the diva of the sea, seductive and reliable! Discover an exceptional creation where the art of sailing meets the world of dreams. The Custom Line Navetta 33, 33 metres long and 7.52 metres wide, is a semi-displacement yacht that embodies the ultimate expression of refinement and luxury. Elegant and sophisticated, it showcases its technology in a distinctive way: the innovative bow bulb guarantees unrivalled stability and manoeuvrability in its class, while offering a range of up to 2,000 nautical miles. The Custom Line Navetta 33 is a clever blend of styles, with timeless aesthetic codes defined by refined simplicity. Every space inside this superyacht is designed to reflect the personality of its owner. Spanning 4 decks, the voluminous spaces, from the full-width owner's suite at the bow on the main deck to the 4 guest cabins on the lower deck, embody elegance at its best. Thanks to cutting-edge Custom Line technology, the Navetta 33 offers optimum stability and comfort in all conditions. This cutting-edge masterpiece, with its patented Dual Mode Transom system, offers maximum experience in the rear space dedicated to leisure and relaxation. Life on board is made even simpler thanks to the VOTIS software that manages the infotainment systems. And with the integrated cockpit, all systems can be controlled at a glance, for total safety. Light as a wave, stable as a rock, the Custom Line Navetta 33 offers absolute comfort, both at anchor and when moored. The electro-hydraulic stabilisers with zero speed function and the pair of Seakeeper gyroscopic stabilisers combine to ensure that everyone can enjoy the horizon and the experience on board, whether cruising or at anchor. The Custom Line Navetta 33
