

SALE NEW

wally Wallytender 48

Description

Wallytender48, the quintessential dayboat. Infused with a strong emphasis on outdoor living and a close connection to the water, the wallytender48 epitomizes Wally's core values. It represents a subtle advancement from the original 45-footer, featuring a barely noticeable heightened bulwark that preserves the essential proportions of the larger yacht. An expansive and luxurious deck, designed with a seamless appearance, beckons guests to indulge in the comfort of sunpads or seats that stretch from the forward lounge to the deep cockpit. Adaptable backrests offer the flexibility to shift focus from the dining table and galley unit to the sunpad, while Wally's widely emulated aft wings fold down to maximize the space for entertainment. Similar to all wallytenders, this boat is skillfully arranged and equipped to accommodate overnight stays. Below deck, a remarkable double suite resides in a cabin that artfully blends the warm hues of teak with carbon accents, leather, and intricate upholstery work. A shower room and ample clothing storage prepare you for weekend getaways. The pleasure of driving is unparalleled. Joystick controls and an encompassing fender system simplify maneuvering. Simultaneously, the twin Volvo Penta IPS 650 engines achieve impressive top speeds of 38 knots and offer a cruising range of 300 nautical miles. All of this is experienced in flawless comfort, with minimal jolting, thanks to the vertical bow and automated interceptors.
