## Description

The Princess V50 is a 15.49-meter yacht that combines performance and elegance. It is powered by two Volvo Penta IPS 600 engines, each rated at 435 hp, enabling a top speed of 31 knots.

The boat has two spacious cabins, each with its own private bathroom, offering comfortable accommodation for four. The bright saloon features a fully equipped galley and air conditioning for optimum comfort.

The exterior is just as interesting, with a spacious cockpit featuring a dining area, sunbathing areas fore and aft, and a hydraulic sundeck for easy access to the water and tender storage.

This yacht is also equipped with a gyroscopic stabilizer (Seakeeper), full electronics including GPS, radar and autopilot, for safe navigation. Fully serviced, she is in excellent condition and ready to sail.
