Description

The Pershing 7X is a luxury yacht designed for those seeking a sporty, elegant and comfortable sailing experience. It combines exceptional performance, modern design, state-of-the-art equipment and superior on-board comfort, while offering great manoeuvrability and extended range. This model is ideal for sailing enthusiasts who want to combine speed, luxury and style.

Exceptional performance

Maximum speed: The Pershing 7X is equipped with powerful engines enabling the yacht to reach a maximum speed of 50 knots.

Advanced propulsion system: The yacht offers rapid acceleration and superior manoeuvrability, making it agile and responsive even in difficult sea conditions.

Cruising speed: With a comfortable cruising speed of 32 to 38 knots, it can cover long distances with great fluidity.

Modern, dynamic design

Avant-garde aesthetics: the Pershing 7X is a model with a resolutely modern design, with clean lines, a carbon fibre hull that ensures exceptional lightness and strength, and a top-of-the-range finish. The silhouette is sporty and elegant, a true floating work of art.

Panoramic sunroof: One of the highlights of this model is its electric sunroof, allowing you to enjoy breathtaking views and an open-air experience while sailing.
