Description

June 2022

Engine landing for extraordinary maintenance

Works 2021

Modification of the cockpit seat with folding table and construction of the bench seat bow via the aft sundeck

Installation of a new extendable table with a raise-lower system for use as a dining table or smoking table

In place of the glass dining table in the living room, a piece of furniture has been created with the same (original) essence as the internal furniture to increase storage space and move the internal fridge

Master cabin: replacement of the original glass bathroom door and creation of a bulkhead that houses the new sliding bathroom door and the larger TV that is in front of the bed and positioned inside a mirror (mirror tv)

Renovation of the dashboard panels of the sundeck helm station with new original silk-screen prints that were originally in carbon look and now in real carbon

Remake of the new name "Pershing 82 VHP" in silicone material with original Pershing font

Implementation of light points in the steps of the lower deck

New LED light installation. Habitat system
