Description

XBOAT ref :6011. Designed by Gilbert Caroff, this CHATAM 60, travel cutter, is a very beautiful integral aluminum dinghy (1.10 m / 3.20 m), built individually.

Solid, with its 16 millimeters of aluminum bottom, twin diesel engines, 3 heating systems, everything is designed for navigation to distant destinations.

The boat benefited from a refit in 2017/18.

Thanks to its completely closed and insulated wheelhouse (watertight sliding door), the helm station is perfectly protected. With its two rudders and its pivoting daggerboard, the CHATAM 60 lays flat and allows fairground anchorages with its shallow draft. This CHATAM 60 is second hand, fully equipped, and has barely been used.

A boat designed for expeditions to the ends of the world.

LIFE ON BOARD:

Large aft cabin and two front cabins, beds with box spring (camper van mode) and mattresses. Desk in each cabin.

A rear bathroom with shower and a front bathroom with shower.

Electric Lavac WC in each bathroom.

Square with raised table and view of the outside.

Bench under bookcase.

Workshop with washing machine in the front point.
