Description

The Cranchi 46 Luxury Tender is a 46-foot walkaround, with distinctive features that make it ideal as a dayboat or express cruiser. Looking at it, you immediately feel a sense of originality, you perceive the strength and beauty of an idea. The entire perimeter of the yacht can be walked with a sure step on the walkable gunwales, without ever encountering obstacles. It is thus extremely convenient to move from the center of the boat - where there are steering consoles, bar and table - to the bow and stern where there are additional seats and comfortable spaces: this creates three well-spaced and at the same time perfectly connected centers of gravity to offer the owner a safe place, dedicated to pleasure, to relaxation and conviviality. As is clear, this yacht invites you to live outdoors, but this does not mean that the Shipyard has neglected the spaces below deck with elegant and extremely functional convertible solutions. In fact, the dinette can be transformed into a sleeping area that adds to the comfortable full-beam aft cabin. The bathroom is complete with a separate shower cubicle. This 46 Luxury Tender is truly as good as new, full optional, with just a few hours of operation.
