A decidedly pure cruising boat, it is aimed at deck saloon lovers and interprets its concepts in an innovative way. From inside the dinette you can see everything that happens around, as could happen in the dinette of a motor boat, which eliminates that sense of closure that you have when you are inside classic boats.

Internally, the boat is divided into two very distinct quarters: at the stern, at the entrance, dinette and galley, at the bow, the sleeping quarter, with cabins.

Navigation equipment:

AIS, Rudder angle indicator, Display, Plotter with GPS antenna, Co-pilot seat.

Staging and technical:

Engine Alarm, Water pressure pump, Deck Shower, Twin Steering, Directional Spotlight, Courtesy Lights, Solar panels, Gangway, Platform, Automatic Bilge Pump, Entry door, Teak Cockpit, Shorepower connector, Water harbor connector system, Electronic instrumentation repeater, Rollbar, Electric Windlass, Strand
