Description

Merry Fisher 1095 FLY

MERRY FISHER 1095 FLY: Another step forward!

The concept of cruising aboard 10-metre outboard motorboats, Jeanneau is doing it again, now with a Flybridge version!

Already unique in its category with an outboard motor and three cabins, the Merry Fisher 1095 is ahead of the trends and now features a flybridge.

Sailing has never been more enjoyable!

The Merry Fisher 1095 FLY features all the qualities of the Merry Fisher 1095: interior volume, bench seat at the helm, high performance hull, modular cockpit, sunken side deck, storage volume, and she benefits from the comfort level of the Merry Fisher line.

FLYBRIDGE: a real living space

The Flybridge includes a forward sundeck and a folding copilot bench seat. The bench converts into a lounge or an XXL sundeck, depending on your preference! The Flybridge also has multiple storage options and accommodates an optional Bimini.

With its unique design, the Merry Fisher 1095 FLY easily takes on the luxury of a family long-haul cruiser.
