## Description

The megayacht was built in 2018 by the renowned Turkish shipyard Neta Marine, it is an extraordinary combination of luxury, design and technology. With a length of 50 meters and a gross tonnage of 495 tons, it is designed to offer maximum comfort on board. Its steel structure with teak decks and elegant superstructures ensures durability and style.

This yacht can accommodate up to 12 guests in 6 luxury cabins and has a crew of 10 highly skilled members. Thanks to its two Mitsubishi S12A2MPTK engines, it is capable of reaching a maximum speed of 12 knots and a cruising speed of 10 knots, with a range of 3950 nautical miles. On board, guests can enjoy many amenities, including a gym, sauna, massage room, and Jacuzzi. For water fun, this megayacht offers games such as jet skiing, paddleboarding, windsurfing, and snorkeling.

The outdoor spaces are designed for relaxation and fun, with large sunbathing areas, a sky lounge with bar and barbecue area. A finalist at the 2019 Boat International Design & Innovation Awards, this yacht is also perfect for exclusive charters in the Mediterranean, ensuring an unforgettable experience for families and friends.

### Interior Description The Interior

Curated by renowned designer Evan K. Marshall, they are an example of luxury and craftsmanship. Precious materials such as ebony, aningeria, leather and marble give elegance and refinement to the rooms. The cabin layout includes an owner's suite with a king-size bed and panoramic views, three VIP cabins with
