Description

Cap Camarat 5.5 CC Serie 2

The Cap Camarat 5.5 CC benefits from the latest innovations in style and ergonomic design.

With its tapered V-shaped hull, its excellent handling at sea is ideal for water skiing, fishing or cruising.

This boat is capable of reaching high speeds while remaining comfortable and fuel efficient. The sculpted console enhances the overall style with an ergonomic design at the helm, directly inspired by the great Cap Camarats.

With its sliding center seats, the aft cockpit is spacious and inviting, even when the engine is trimmed up.

The forward cockpit, a space entirely designed for relaxation, safely accommodates family members or guests, and can be transformed into a large sun deck. Every moment on board is pure pleasure.
