## Description

### Cap Camarat 9.0 CC

An innovative center console

The Jeanneau range is extended by an enticing new model: a day boat with a very elegant design.

Fishing and family fun

The Cap Camarat 9.0 Center Console, the new flagship of the Cap Camarat line, can accommodate up to 11 people on board. The Cap Camarat 9.0 Center Console ingeniously combines the performance of a fishing boat (with a hull designed by Michael Peters, single and twin engines for up to 2 x 250 HP), the comfort of a family fishing boat, and the design of a high-end model.

With a surprising interior, this outboard model features an innovative and bright living space to comfortably spend one or two nights aboard.

Optional motorization:

- 2x 225 HP
- 2x 250 HP
