Description

DB 37 IB NEW

This brand new 37-foot model is the perfect representation of the DB Yachts line. Features a streamlined design, fully open to the sea, with fine materials and polished finishes, and with unprecedented interior volume for a day boat. After the DB/43, the DB/37 is the result of a collaboration between world-renowned naval architects. Her elegant lines were drawn by Italian designer, Camillo Garroni, and her hull was designed by Michael Peters Yacht Design.

From day boat to party boat to cruiser, the DB/37 offers great versatility and unique design which will lead exceptional experiences on the water.
