Description

Merry Fisher 895 S2 (NEW)

SMART DESIGN FOR GREATER COMFORT

The Merry Fisher 895 Series 2 retains all the strengths that have made the Merry Fisher a worldwide success: modular spaces, safe and easy movement on board for the whole family. With the salon that transforms into a double bed and the two separate cabins, a spacious toilet area, this spacious boat allows six people to spend the night on board.

INSPIRED BY FLAGSHIPS

The large windows in the hull and the coachroof roof, fit seamlessly into the powerful, sporty silhouette. The new hull allows planing from 20 knots, a speed easily achieved with her two engines, 2 x 250 HP at maximum speed, providing comfort and maneuverability.

A WEEKEND CRUISER FOR YEAR-ROUND CRUISING

The interior space offers a 360-degree view of the sea. Plenty of storage space and a new, modern and practical galley contribute to a pleasant time on board. When the sun shines, the sliding glass door can be slid away to bring the living space into the cockpit. With the Merry Fisher 895 Series 2, family cruises are possible in any season.

Max. Engine power: 2x 250 HP
