MANUFACTURER COMMENT: EXCELLENT DRIVABILITY AND PERFORMANCE: The Saxdor 270 GTO, designed with Saxdor's signature light, soft-riding twin-stepped hull, delivers the speed, performance, and fuel efficiency for which earlier models are renowned. Saxdor 270 GTO is the winner of prestigious Motorboat & Yachting Award 2024 in the "Sportboats up to 30 ft" category. True driver's boat. Designed with a distinctive twin step hull and sharp 20-degree deadrise angle, the Saxdor 270 GTO promises an efficient and nimble performance on the water, making it a standout in its class. This design is integral to the boat's exceptional manoeuvrability and contributes to its ability to cut through the water with minimal resistance. The Saxdor 270 GTO's performance is further augmented by its light and robust construction, achieved through advanced vacuum infusion techniques. This method of construction not only reduces the boat's weight, allowing for greater speed and fuel efficiency, but also ensures that the boat is strong and durable. Full-size wet bar.
