It is one of the models of the English shipyard that has been most successful in recent months.

Great habitability and functionality of the spaces on board are the strengths of the Sealine SC35, which also stands out for the versatility of the cockpit.

This, in fact, is protected by a hard top with a very light structure, which allows it to quickly transform from an "en plein air" area into an area completely sheltered from the sun and atmospheric agents.

The SC 35 also features modern furnishings and, with five beds, is also the ideal boat for cruising with family or friends.

Navigation equipment:

Rudder angle indicator, Electronic engine control, Chain counter, Display, Depth Sounder (Raymarine), GPS (Raymarine), Log (Raymarine), Autopilot (Raymarine),
