invictus Gt320

388 240 € + VAT

Description

The Invictus GT320 sits squarely between the series' sisters, the GT370 and GT280, combining their predominant characteristics: design, comfort, performance. It can be equipped with a single engine, like the GT280 model, but it is also the smallest in the Invictus range to be equipped with a dual engine, like the GT370. The balance of the volumes and the elegance of the lines provide a clear perception of beauty in every detail. The size does not belie the intention to match the level of luxury of larger boats.

DEMO boat, only 70 hours of motoring!! Ready for delivery with Volvo Penta 350 HP V8 engines.
