

SALE PRE OWNED

amer yachts Amer f106 new

PRICE UPON REQUEST

Description

Amer F 106 – New Build – 4 x Volvo Penta IPS 30 1,350Hp or IPS 40 2,700Hp
– 5 guest cabins + 3 crew cabins

Amer F 106 represents the evolution of the Amer F 100, a combination of design, cutting-edge technology and comfort. The result bears the signature of Antonio Luxardo for the exterior design. With its 31 meters, it has 5 spacious cabins, with the owner's cabin on the main deck, a large saloon and a large bow area with sundeck. Aft, a comfortable sofa area overlooks the sea and connects to the cockpit; Two staircases lead directly to the ten-metre-long Sun Deck, equipped with sunbathing areas, dinette and wheelhouse. The exterior of the yacht is distinguished by an elegant window, which maximizes the height in the entrance area of the saloon by increasing the visual relationship with the surrounding environment.

It offers smooth and sporty navigation, thanks also to the great manoeuvrability of Volvo Penta IPSs, and at the same time sustainable, with reduced fuel consumption and emissions.
